Alexis Nichele, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Abstract Realism is a book of true paranormal, telepathic, telekinetic, psychic and other-worldly experiences. The experiences are all mine and all true. I have compiled many strange and sometimes frightening experiences into this book as well as some of my art, photographs, poetry, social ideologies. I ve titled this book Abstract Realism because the truth is stranger than fiction and although true, these experiences are so incredible they seem as if they are fiction. I once had a an individual come into the store where I worked and telekinetically bend 2 candles. The book goes into detail about the 80 UFO craft that my friends and I saw over PCH in Malibu, CA. I orchestrated the meeting telepathically with my other worldly friends and sure enough they showed up. Another experience I speak of has to do with controlling the weather. There are credible witnesses. I wanted this book to be fun, enlightening as unique as its author.
