

Supermarine Spitfire

By Alfred Price

Anness Publishing. Hardback. Book Condition: new. BRAND NEW, Supermarine Spitfire, Alfred Price, This is an illustrated guide shown in over 100 images. It is a compelling history of the Supermarine Spitfire, from the first single-seat prototype of 1936 through to post-war planes that equip fighter units around the world. It includes complete technical specifications detailing the Spitfire's armament, power plant, dimensions, weight and performance. It features over 100 photographs of the Supermarine Spitfire in action, as well as a cutaway diagram showing the interior construction of this classic fighter aircraft. The legendary Supermarine Spitfire was designed solely as an air protection interceptor, to engage and destroy enemy bombers attempting to attack targets in the British Isles. It was also ideal as a reconnaissance aircraft, providing photographs and crucial details of enemy involvement. This book describes the design and development of this outstanding combat aircraft, and includes eyewitness accounts from pilots who flew it during the Battle of Britain and beyond. Wartime photographs and cutaway diagrams accompany the expertly written text, making this an essential volume for everyone interested in these history-making aircraft.
