Book of Great Minds: Advancing Humanity (Paperback)

By Therlee Gipson

Createspace, United States, 2012. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. Introduction This book Book of Great Minds (Advancing Humanity) is about thinkers from all walks of life that contributed something to advance humanity. The intellectual is a specific variety of the intelligent, which unlike the general property, is strictly associated with reason and thinking. Many everyday roles require the application of intelligence to skills that may have a psychomotor component, for example, in the fields of medicine, sport or the arts, but these do not necessarily involve the practitioner in the world of ideas. The distinctive quality of the intellectual person is that the mental skills he or she demonstrates are not simply intelligent, they focus on thinking about the abstract, philosophical and esoteric aspects of human inquiry and the value of their thinking. Traditionally, the scholarly and the intellectual classes were closely identified; however, while an intellectual need not necessarily be actively involved in scholarship, he or she may have an academic background and will typically have an association with a profession. Anti-intellectualism is hostility towards and mistrust of intellect, intellectuals, and intellectual pursuits, usually expressed as...
