Only a few special people have that little extra something which defines them as exceptional people. Can these skills be acquired? Yes they can, and here is your opportunity to acquire them. If you read and apply the contents of this book, working through the exercises in each section, you will get it , and you will evolve into a person with outstanding people skills. This is a book which looks at personal development from a completely practical angle, setting the reader many exercises in order for them to develop new ways of speaking and relating. Get it explains how we can become much more powerful people by examining our behaviour, our language use, and our appearance. You, the reader, will be involved throughout, developing these as you progress through the book. To fully achieve our personal goals, we need exceptional communication skills, and we also need a complete knowledge of how others work. We need this because this will not only enable us to bring out the best in others, but will also enable us to...
