Sterling Publishing Co Inc. Hardback. Book Condition: new. BRAND NEW, The Visual Language of Drawing: Lessons on the Art of Seeing, James Lancel McElhinney, Featuring the insights of 15 current and former Art Students League instructors, this stunning volume reassesses the art of drawing not as a technique, but as the essential grammar of all visual thinking. In an illuminating introductory essay, James Lancel McElhinney punctures the myth that learning to draw is something for experts only and presents methods for making, appreciating and teaching drawing. The 15 contributors then offer a broad range of stylistic approaches and methodologies, accompanied by examples of their own and their students' artwork. A final section of basic exercises, along with information on materials, techniques and resources, completes this inspirational study.
