Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

Moving Toward Stillness: Lessons in Daily Life from the Martial Ways of Japan is Dave Lowry s distillation of the most important lessons he learned in the years he s devoted to his martial arts training. Drawing from his highly regarded magazine columns in Black Belt magazine, Lowry sets out lessons that not only guide us to a deeper understanding of the social values and moral imperatives that are the ancient heart of budo, but speak to us also of the universal nature of those values and of how they remain relevant to us, in the modern West. Among the 45 chapters of this martial arts philosophy book you ll find lessons addressing everything from such well-known martial concepts as one encounter, one chance to the art of being alone, from strategy for the modern-day battlefield to the luxury of anger, from subduing the self and bending like the bamboo to maintaining an unwavering calm in the face of death.
