Brand New Book ***** Print on Demand *****.The Constitution of the Empire of Japan, known informally as the Meiji Constitution, was the organic law of the Japanese empire, in force from November 29, 1890 until May 2, 1947. After the Meiji Restoration in 1868, it provided for a form of constitutional monarchy based on the Prussian model, in which the Emperor of Japan was an active ruler and wielded considerable political power (over foreign policy and diplomacy) which was shared with an elected Diet. The Diet primarily dictated domestic policy matters. After the Meiji Restoration, which restored direct political power to the emperor for the first time in over a millennium, Japan underwent a period of sweeping political and social reform and westernization aimed at strengthening Japan to the level of the nations of the Western world. The immediate consequence of the Constitution was the opening of the first Parliamentary government in Asia.[1] The Meiji Constitution established clear limits to the power of the executive branch and the absolutism of the Emperor. It also created an independent judiciary. However, it was ambiguous in wording, and...
