*It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

Lorraine: plucky and competitive. Isaiah: impish, with a smile that gleams in more ways than one. From the time the two first square off for a fierce wall ball battle as children, Lorraine and Isaiah can't help knowing each other, but neither can they avoid passions and misfortunes lining their path to young adulthood. When the breakup of Isaiah's family disrupts the haven he's shared with Lorraine, their natural relationship is eventually threatened by jealousy, abandonment, and a life-altering trauma too grave to forget. As one year follows another, and another, what might it take to reunite this divided man and woman in love: love undeniably real and unbounded by time?.
