Fight back! This book is a great example of that lost freedom to offend and the perfect motivation for the renewed fight against our overly PC society. Lately there have been numerous high profile examples of people demanding that others, with views they disagree with, be silenced. This free speech debate centers around the concept that speech must not offend, and that, sadly, is our new social reality, but it MUST change! The Worstest Book Ever Written is your joyful common sense guide to regaining the freedom of true unbridled thought and expression, free speech just as the first amendment intended it! This book could be considered the Bible of the anti-PC movement, you MUST have this book! RETURN TO A BYGONE ERA AND REVEL IN THE JOY OF FREE EXPRESSION, WITH THE WORSTEST BOOK EVER WRITTEN.
