There is an essential element of nature which defies reason, logic, or science. An element which emanates from my experiences living in the majestic hills and valleys of Vermont's Green Mountains. A calling, if it were, where the working land speaks, and the wind sings, and the ever changing skies dazzle our sight with amazing color and...

**Reviews**

*This ebook is great. It is definitely basic but shocks from the 50 percent of your publication. Its been printed in an exceedingly basic way and it is only right after i finished reading this book where basically changed me, modify the way in my opinion.*
