Broad snow-meadows glistening white along the banks of the river Moselle; pallid hill-sides blooming with mystic roses where the glow of the setting sun still lingered upon them; an arch of clearest, faintest azure bending overhead; in the center of the aerial landscape of the massive walls of the cloister of Pfalzel, gray to the east, purple to the west; silence over all, -a gentle, eager, conscious stillness, diffused through the air like perfume, as if earth and sky were hushing themselves to hear the voice of the river faintly murmuring down the valley.
