Excerpt from The Ideals of the Prophets: Sermons by the Late S. R. Driver, D.D., Regus Professor of Hebrew and Canon of Christ Church, Oxford, Together With a Bibliography of His Published Writings Before his death on the 26th of February 1914, Dr. Driver left instructions that a volume of his sermons should be published, and even chose a certain number for the purpose. Four of these, Nos. ix., xi., xix., xx., have appeared in print already; they are reprinted here by the courtesy of the Editors and Publishers of The Expository Times and of The Interpreter. Dr. Driver's own selection has been considerably enlarged with a view to forming a group, both representative of his ordinary teaching and connected together by a certain unity of subject and treatment. It is evident that he took a special delight in preaching about the ideals of the Old Testament prophets; accordingly most of these sermons will be found to bear upon this topic. All of them were delivered in Christ Church Cathedral, Oxford, of which he was a Canon in virtue of his office as Regius Professor of Hebrew; he was never connected with any other church; so that the present volume will serve, in some degree, as a memorial of his thirty-two years ministry there, from 1882 to 1914.
