Stenhouse Publishers, United States, 2002. DVD video. Book Condition: New. 338 x 254 mm. Language: English . Brand New Book. You can read books or attend workshops about how to teach writing, but there s no substitute for seeing master teachers put ideas into practice with real kids. When Students Write takes us into the classrooms at Bailey s Elementary School in the outskirts of Washington, DC, where teachers wrestle with the questions of what it means to become an effective writer and what is a teacher s role in developing students competence as writers. The four videos cover all the practical components necessary for establishing and implementing a successful writing workshop, including the importance of choice, creating a risk-taking environment, the difference between skills and craft, the writer s notebook, the writing conference, revision, the role of literature, and much more. When used in conjunction with the authors books, Craft Lessons and Nonfiction Craft Lessons, these programs provide a practical resource on how best to teach writing. Program 1: Building a Writing Community Students need to assimilate a daunting number of skills as they become competent writers. And this doesn t happen overnight. Writing teachers need to create a community where students can live as writers, find their voices, and take the kinds of risks that allow them to develop competence as writers. In this segment the teachers and principal at Bailey s Elementary School show how they create that atmosphere. Their environment is rooted in the ongoing professional development that is an integral part of this school. Viewers will see how each student s identity as a writer permeates the entire school and cuts across the curriculum. Program 2: Teaching Writing Skills in Context Although writing encompasses a bundle of skills, it could be roughly divided into two...
