Story Behind the Book When looking over Multnomahs catalog, its clear that most men, women, parents, and pastors have access to many incredible authors. These authors provide teaching and tools to help with everything life seems to bring, and they remind readers of Gods presence in the midst of it all. But adults arent the only ones who need to know this! Emmanuel, God With Us what a wonderful truth to teach our children before they come face to face with life and all its joys and tribulations! Through the books in the God Counts series, including the God Counts Bible, my hope is that parents will now have a fun tool to introduce their children to a loving God and all the miraculous stories of how He interacts with His children.
