## CHURCH DOGMATICS, VOL. 2.2, SECTIONS 34-35 THE DOCTRINE OF GOD, STUDY EDITION 11

Bloomsbury T&T Clark. Paperback. Book Condition: New. Paperback. 352 pages. Dimensions: 9.0in. x 6.1in. x 0.9in. Karl Barths Church Dogmatics is one of the major theological works of the 20th century. The Swiss-German theologian Karl Barth (1886-1968) was the most original and significant Reformed theologian of the twentieth century. Barth began the Church Dogmatics in 1932 and continued working on its thirteen volumes until the end of his life. Barths writings continue to guide and instruct the preaching and teaching of pastors and academics worldwide. The English translation was prepared by a team of scholars and edited by G. W. Bromiley and T. F. Torrance and published from 1936. A team of scholars at Princeton Theological Seminary have now provided the translation of Greek, Latin, Hebrew and French passages into English. The original is presented alongside the English translation. This makes the work more reader friendly and accessible to the growing number of students who do not have a working knowledge of the ancient languages. This new edition with translations is now available for the first time in individual volumes. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
