This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

John Wiley & Sons Inc. Paperback. Book Condition: new. BRAND NEW, Poker for Dummies, Richard D. Harroch, Lou Krieger, Poker is America's national card game, and its popularity continues to grow. Nationwide, you can find a game in progress everywhere. If you want to play, you can find poker games on replicas of 19th century riverboats or on Native American tribal lands. You can play poker at home with the family or online with opponents from around the world. Like bowling and billiards before it, poker has moved out from under the seedier side of its roots and is flowering in the sunshine. Maybe you've never played poker before and you don't even know what a full house is. Poker For Dummies covers the basics. Or perhaps you've played for years, but you just don't know how to win. This handy guide will help you walk away from the poker table with winnings, not lint, in your pockets. If you're a poker expert, you still can benefit - some of the suggestions may surprise you, and you can certainly learn from the anecdotes from professional players like T.J. Cloutier and Stu Unger. Know what it takes to start winning hand after hand by exploring strategy; getting to know antes and betting structure; knowing your opponents, and understanding the odds. Poker For Dummies also covers the following topics and more:^{*} Poker games such as Seven-Card Stud, Omaha, and Texas Hold'em* Setting up a game at home* Playing in a casino: Do's and don'ts* Improving your play with Internet and video poker* Deciphering poker sayings and slang* Ten ways to read your opponent's body language* Playing in poker tournaments* Money management and recordkeeping* Knowing when and how to bluff Poker looks like such a simple game.
