Brand New Book ***** Print on Demand *****.Excerpt from Sharon, Massachusetts: The Healthiest Town in New England This book is published to make Sharon better known and appreciated. It gives information about the town and answers questions often asked by strangers. It is intended for gratuitous circulation and extra copies will be cheerfully furnished physicians and others on application to me. To those seeking homes, Sharon offers attractions unexcelled by any other locality. Nature has given Sharon pure air, pure water and good drainage, which are the three great requisites to health and happiness. We have also fine walks and drives and beautiful scenery, and all these things can be enjoyed without sacrificing scarcely anything desirable that the residents of large cities have been accustomed to enjoy. Further information about the town will be cheerfully furnished on application by letter or otherwise. I have a long distance telephone in my residence and can be communicated with at all times from any telephone. My carriage is at Sharon station every day except Saturday and Sunday, on the arrival of the 11.00 A. M. and 2.05 P. M. trains from Boston, and is at the service of those desirous of seeing property that is for sale or to let. To those seeking board, a carriage and driver will be furnished at reasonable rates.
