Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Baby Jane should have been just another statistic in the annals of New Orleans history, but the infant survived abandonment. A few years later she should have been a basket case after years of sexual abuse at the hands of a foster father, but she found a way to get free of him without losing her sanity. Or did she? Set in the charming hospitality of northern Mississippi, CROSSED LINES is a most inhospitable story of seduction, mystery, and revenge. About the Author: Pat Dale After a long career as a professional musician, Dale turned to the pen to craft over a dozen novels and he's adding more to the list. The native Missourian traveled far and wide before settling near Kansas City to enjoy the scenic beauty of the heartland. Using musical rhythms and values, he writes in a style some call poetic prose. When readers noted his bent for dark gritty stories when not in comedic mode, he's writing a mystery that will give even hardy souls something to shiver about. Whether romantic comedy or dark drama is your cup of tea, Pat's endearing (and sometimes frightening) characters will lead you into worlds you might otherwise never have visited. So, pick up a Pat Dale novel and whisk yourself off for a few hours of fantasy.
