Reviews

It is great and fantastic. I actually have read and so I am certain that I am going to go through once again yet again in the future. I realized this ebook from my dad and I encouraged this book to find out.

My Mother s diary is a fiction novel full of emotional drama and suspense. From the very start it takes you on an exciting ride that only gets better with each page that is turned. The story is about the past and present life of a young man named R.J. R.J. is a regular person just like anyone else. And just like anyone else, R.J. has a closet full of skeletons that he tries so desperately to keep hidden; he does a good job. But when a ghost of his past shows up at his doorstep, R.J. folds under pressure and his dark past explodes into his present. When this happens, R.J.s back ends up against the wall and his only way out of the corner is to come out swinging; not with his fist, but with the truth about his past. The sad thing is that R.J. is in a lose lose situation. If he doesn t tell the truth then he will lose everything; but if he does tell the truth more than likely, he will still lose it all. Find out what R.J. does when all else has failed.
