Penguin Putnam Inc, United States, 2013. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. As the seventh daughter of a seventh daughter--and a member of Ipswitch s Royal family--Xandra Morgan should be a witch of incredible power. But things don t always turn out like you expect. While she hasn t lived up to her family s expectations, Xandra has come to terms with her latent magic and made a life for herself in Austin, Texas, running a coffee shop where she makes potions of a non-magical nature. While things aren t perfect, Xandra is happy--until she runs into powerful warlock Declan Chumomisto. Xandra hasn t seen Declan in years, and though she s still overwhelmed by his power, she doesn t trust him. And when her own powers awaken one night and lead her to the body of a woman in the woods bearing the symbol of Isis--the same one that has marked Xandra since the day she met Declan--she s filled with a terrible suspicion, soon confirmed: the woman is connected to him. Xandra doesn t want to believe that Declan is capable of murder, but as the body count mounts, and Xandra s own powers spiral out of control, she s not sure she can trust her own instincts.
