University of Tennessee Press, United States, 2008. Hardback. Book Condition: New. Revised.. 259 x 211 mm. Language: English . Brand New Book. Actor Morgan Freeman provides a foreword in which he recounts his personal history as a child in the Delta and discusses why he was pulled back to his ancestral home, despite its challenges. This book brings together essays by noted Delta writers and scholars, interviews with Delta residents from all walks of life, and vivid photographs that document the region. The essay writers touch on a variety of themes from cultural landmarks to racial issues to the struggle for Civil Rights, providing the reader with a guide to important themes of the area's history and culture. Their stories remind the reader that the Delta is not stuck in a particular time or place in which bad memories, history, and dark images forever hold residents captive. Instead, the region is populated by dynamic men and women whose individual voices, when combined, reveal a powerful force for positive change. Jean Philippe Cypres's lens captures the people, places, and spirit of the Delta. There are photos of the smiling doormen who escort the ducks on their afternoon stroll through the lobby of the Peabody Hotel in Memphis; the neon-encrusted, twenty-story casino rising high above Tunica; the burial place of Sonny Boy Williamson, which has become a memorial to the legendary harmonica...
