Incentive Publications, United States, 2002. Paperback. Book Condition: New. 269 x 211 mm. Language: English . Brand New Book. This book is part of a series in which students will be intrigued by exercises that teach them while making learning fun. Why don t people fall out of upside-down roller coasters? What makes fireworks explode? How many rings surround Jupiter? What are the characteristics of living things? A world of questions will be answered in unique, creative ways. Written by teachers with a wealth of experience, this five-book section employs the natural curiosity of students to help them explore the mysteries of Life Science, Earth Space Science, Physical Science, Human Body Health, and Science Concepts Processes. The BASIC/Not Boring Science Skills Series will be a favorite of teachers and students alike.
