John Hunt Publishing. Paperback. Book Condition: new. BRAND NEW, Between the Lines: Healing the Individual & Ancestral Soul with Family Constellation, Nikki Mackay, Have you ever wondered why you do the things you do? In the same way that stars form patterns called constellations, family members and how they interact with each other create behavioural patterns, by tracing these patterns with Family constellation and historical mediumship we can begin to bring the hidden in to the light. Take an intuitive walk through your family tree and uncover the secrets of your ancestors. Examples and illustrations of the effects of the ancestors and family patterns on individuals are given from Nikki's private practice, group workshops as well as delving in to the world of celebrity with exploration of the lives and deaths of Marilyn Monroe, Kurt Cobain and others. It is amazing the things that are forgotten or suppressed within a family. Secrets that are never spoken, children that never were, crimes, deaths, the missing - all these things are swept under the carpet. But the unseen and unspoken have a habit of making themselves heard further down the line. If you are interested in moving forward and truly seeing what is there within your own family tree come take a walk with me.
