THE UK INTERNET STARTER KIT

[DOWNLOAD PDF](#)

Paperback. Book Condition: New. Not Signed; Learn how to get on the Internet quickly and easily. Learn how to get a browser and what they do. Learn how to get hooked up to the Internet and then where to go. Learn how to send email and chat to others. All the basics are covered in the new edition of The Internet Starter Kit. In addition to a simple introduction, The Internet Starter Kit also equips readers for the more advanced features of the web. Unlike other titles, it offers more than just the major features of the Internet and some basic tools. It shows the reader the many different uses and features of the web that builds upon the initial introduction. For example, users can learn how to navigate around complex sites, how to use basic HTML and hold Net-meetings. Fully revised to reflect the advances since the previous edition, this book contains new information on IE5, Windows 2000, and Win 98. It also discusses information on new technologies such as BT Highway and the new Internet service providers, online services and available hardware. book.
