

## Plug in Drug: Television, Computers and Family Life (Paperback)

---

By Marie Winn

Penguin Books Australia, Australia, 2002. Paperback. Book Condition: New. 25th Anniversary edition. 190 x 127 mm.

Language: English . Brand New Book. How does the passive act of watching television and other electronic media-regardless of their content-affect a developing child s relationship to the real world? Focusing on this crucial question, Marie Winn takes a compelling look at television s impact on children and the family. Winn s classic study has been extensively updated to address the new media landscape, including new sections on: computers, video games, the VCR, the V-Chip and other control devices, TV programming for babies, television and physical health, and gaining control of your TV.
