Baen Books, United States, 2007. Paperback. Book Condition: New. Reprint. 168 x 102 mm. Language: English . Brand New Book. Moon of Three Rings: It is the time of the Moon of the Three Rings when the Free Trader ship Lydis lands on the primitive world of Yiktor, a world the Combine was seeking to control for the power the Three Rings would bring them. The life of a Free Trader was all junior crew member Krip Vorlund knew. That life ended at a beast show on Yiktor when Vorlund was strangely attracted to the owner of the show animals, a delicate and mysterious woman named Maelen. Too soon Vorlund learned the nature of Maelen s sorcery, too soon he is caught up in the struggle over the fate of a world. But his soul would remain his own. Exiles of the Stars: The galactic trade ship Lydis is making a run to the planet Thoth when a civil war lands her in a battle of ancient powers and nameless evil, with a Forerunner treasure at its heart. The crew seems normal-until you look closely at two of its members: Krip Vorlund, a man who walks in a body not his own, and his pet, a four-legged beast hiding the mind of Maelen the Moon Singer, a woman whose esper powers can save them all-or bring them to eternal destruction.
