## Chinese Whispers: Why Everything You've Heard About China is Wrong (Paperback)

---

By Ben Chu

Orion Publishing Co, United Kingdom, 2013. Paperback. Book Condition: New. 232 x 152 mm. Language: English . Brand New Book. We think we know China. The world's most venerable and self-confident civilisation, home to the largest unified race of people on the planet, China manufactures the objects that fill our lives. We see a country peopled by docile and determined factory workers, domineering Tiger Mothers obsessed with education and achievement, and a society that has put the accumulation of wealth above political freedom. Above all, we see a superpower on the rise, destined to overtake the West and to dominate the 21st century. But how accurate is this picture? What if, as Ben Chu argues, we are all engaged in a grand game of Chinese Whispers, in which the facts have become more and more distorted in the telling? We have been getting China and the Chinese wrong for centuries. From the Enlightenment philosophes, enraptured by what they imagined to be a kingdom of reason, to the Victorians who derided the flowery empire, outsiders have long projected their own dreams and nightmares onto this vast country. With China's economic resurgence today, many have fallen once more under...
