The laity (the body of ordinary lay-members of the Church) has seldom enjoyed the distinction of being treated with care and thoroughness as a matter of specific theological importance or significance. The subsidiary treatment by the professional theologians, argues Hendrik Kraemer, is an inexcusable lack and an indication of a partly mis-oriented understanding of the Church in its wholeness. Kraemer's *A Theology of the Laity*, first published in 1958 was one of the first comprehensive attempts at constructing a theology of the whole people of God. It remains a foundational and important work on the subject. Hendrik Kraemer (1888-1965), a layman, was a Dutch Reformed theologian, linguist, and missiologist is recognized as one of the most significant theologians of Christian mission. Kraemer studied Indonesian languages at Leiden University and was awarded a PhD. in 1922. He then served with the Netherlands Bible Society in Indonesia until 1937, when he was appointed professor of the history and phenomenology of religion at Leiden University. From 1948-1955 Kraemer served as the first director of the World Council of...
