Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Meals Medicinal: With Herbal Simples (of Edible Parts) Curative Foods From the Cook in Place of Drugs From the Chemist It is told that Sir Walter Scott, having occasion to seek medical aid unexpectedly in a small country town, found a doctor there, one John Lundie, a grave, sagacious-looking man, attired in black, with a shovel hat, who said, My practice is vera sure: I depend entirely upon twa simples. And what may they be? asked Sir Walter. My twa simples, replied John, in a low confidential tone, are just laudamy and calamy. Simples with a vengeance! quoth Scott; And how about your patients, John? Whiles they dies: whiles no, answered he, but it s the wull o Providence. Little did the said doctor surmise that, comprehended within his two simples, lay many constituent principles owning distinct activities, and which have since then become analysed into separate medicaments. The laudamy (opium) has been found to comprise no less than twenty-one elements, all with divers physical, and chemical properties, (some indeed antagonistic); whilst the calamy is understood now-a-days to exercise a wide variety of effects, determinable by varying methods of its use: these twa simples thus making together an ample pharmacop ia of drugs. But those were times of comparatively rude physic, and of rough-shod medical treatment. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
