Language: English Brand New Book ***** Print on Demand *****.Excerpt from Reminiscences and Recollections of Brick Pomeroy: A True Story for Boys and Girls of Any Age During the past twenty years a very large number of men and women, and especially of poor boys, have personally or by letter asked me to write a book in which would be narrated of the labors and experiences of that which has indeed been a most eventful life. I comply with their request, not to lift the subject of these chapters into position for abuse or criticism but with an earnest desire that what I write, all of truth and experiences of a severe struggle for existence, may be the means of helping poor boys and working men to shun rocks on which many rush to ruin, and to better their condition for the happiness that follows earnest efforts and a preservation of one's self from dissipation. Going back to the days of orphaned infancy, relying upon a memory often remarked as wonderful for its power of retention, I use the pen to picture the scenes, struggles, temptations, ups and downs of life and lessons learned, as the errand-boy of recollection brings them to me. In this narration I shall not attempt to screen myself, but will frankly tell of things others might not write of, not to wound, but to heal and to suggest walks and ways that are of pleasantness.
