Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 300 pages. Dimensions: 8.5in. x 5.5in. x 0.9in. USA TODAY Bestseller Five years ago Elizabeth Piccione's husband was arrested for being a serial killer. Her life suddenly turned upside down, she did what she thought was best for her newborn baby: she took her son and ran away to start a new life. Now, living in a quiet part of the Midwest with a new identity, Elizabeth is ready to start over. But one day she receives a phone call from a person calling himself Cain. Cain somehow knows about her past life. He has abducted her son, and if Elizabeth wants to save him she must retrieve her husband's trophies -- the fingers he cut off each of his victims. With a deadline of one hundred hours, Elizabeth has no choice but to return to the life she once fled, where she will soon realize that everything she thought she knew is a lie, and what's more shocking than Cain's identity is the truth about her husband. Praise for *The Serial Killers Wife*: This is a scary, thrilling, page-turning, race-against-the-clock novel if ever there was one, with a true shocker of an ending. Miss this one at your own peril. -- Blake Crouch, author of *Run and Desert Places* An explosive summer thriller. Robert Swartwood is a sharp writer, his prose lean and mean as a razor blade. He notches up the tension from chapter to chapter like a master storyteller, keeping you reading long into the night. -- *The Man Eating Bookworm* About the Author Robert Swartwood's work has appeared in *The Los Angeles Review*, *The Daily Beast*, *ChiZine*, *Postscripts*, *Space and Time*, and *PANK*. He is the author of several novels and the editor of *Hint Fiction: An...*
