Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****. Microsoft Excel 2016 is a part of the Microsoft Office 2016 suite. In many circles it is simply referred to as Office 2016. This software is the latest release in the series of the Excel software that will replace Office 2013 for the PC and Office for Mac 2011. It was first released for the OS X software and was designed for Office 365; which is how Microsoft now distributes the Office products. As with any new release of a software, there are many new features that improve the overall user experience. The improved Excel 2016 is considered to be smoother and very user friendly for even users who are not tech savvy. This is in relation to the improved menu layout and ability to use common functions that basic users are familiar with. The software can now do even more complicated calculations with greater productivity that advanced users can appreciate. This helps average users to put their data in an easy way that they can understand, manage and share.
