

Plasticizers Databook (Hardback)

Filesize: 6 MB

Reviews

This publication is definitely not simple to begin on studying but quite fun to see. It really is full of knowledge and wisdom I am just effortlessly can get a satisfaction of studying a created pdf.
(Alfreda Bradtke)

PLASTICIZERS DATABOOK (HARDBACK)

To save **Plasticizers Databook (Hardback)** eBook, make sure you access the web link beneath and download the ebook or gain access to additional information that are relevant to PLASTICIZERS DATABOOK (HARDBACK) ebook.

Chem Tec Publishing, Canada, Canada, 2013. Hardback. Book Condition: New. 236 x 164 mm. Language: English . Brand New Book. Plasticizer Databook contains data on selection of the most important plasticizers in use today. The selection includes 375 generic and commercial plasticizers. The generic plasticizers contain data for particular chemical compound from numerous sources and these generic plasticizer tables usually contain the most extensive information. The commercial plasticizers include only data given by plasticizer manufacturers. This allows comparison of properties of commercial plasticizers coming from different sources. Plasticizer Databook was developed to contain data required in plasticizers application. Attempts were made to include plasticizers used in various sectors of industry to provide information for all users and to help in finding new solutions. Plasticizers included in the book differ from solvents by boiling point, which is above 250°C, but some plasticizers are used as temporary plasticizers or are expected to react with other components of mixture. These substances will not meet the boiling temperature criterion but will still be included since they play role of plasticizers. The tables in the book are divided into five general sections: General information, Physical properties, Health safety, Ecological properties, and Use performance. Only available fields for particular plasticizer are included in the individual tables. In General Information section the following data are displayed: name, CAS #, IUPAC name, Common name, Common synonyms, Acronym, Empirical Formula, Molecular mass, RETECS Number, Chemical Category, Mixture, EC number, Ester Content, Phosphorus Content, Bromine Content, Solids Content, Oxirane Oxygen Content, Paraffinic Content, Naphthenic Content, Moisture Content, Chlorine Content, Bound Acrylonitrile, Sulfur Content, Butadiene Content, Aromatic Carbon, Total Aromatic Content, and Hydroxyl Number. Physical Properties section contains data on State, Odor, Color (Gardner, Saybolt, and Platinum-cobalt scales), Boiling point, Melting point, Freezing point, Pour point, Iodine Value, Refractive indices at different...
