The chord section contains variations over popular vamps; polychords; rhythm changes; chord substitution; voice leading and motion; the use of the Diminished chord and an introduction to walking bass lines. There is also a detailed section on practice tips and routines. The scale section includes modal progressions and soloing; riffs over the Major, Minor, Dominant, Altered Dominant and Half Diminished chords; sample solos over two standard progressions; riffs over ii V I and I VI ii V vamps; blues/jazz studies and ideas for rhythmic variety.
