Excerpt: ... 11 a great starting point, and I absolutely applaud their efforts. I am glad we have some members of that coalition here today, and I am anxious to hear more about the progress of their work. Obviously, these are complex issues with considerable repercussions for consumers and for industry. If we fail to act however, organizations will face increasing costs associated with inconsistent and overlapping obligations, and consumers will feel even more tentative and more worried about disclosing personal information. Finally, without action, the vitality of e-commerce and the potential of the Internet as a significant economic force may be in jeopardy. I am glad to work with the private sector as we discuss how we can implement the appropriate consumer protections, while giving businesses a set of federal rules of the road that provide...
