

The Handbook to the Flower Garden and Greenhouse (Classic Reprint) (Paperback)

By George Glenny

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Handbook to the Flower Garden and Greenhouse The following short lessons for the cultivation of all the popular flowers and plants will be acceptable to those who grow a variety of subjects, and who have general garden establishments. It has always been my aim to avoid mystery - to use the plainest and simplest way of doing everything, from the mixing of the compost to the perfecting of the plant. I differ from most of the previous writers on the culture of many subjects, for I recommend nothing that is difficult to obtain or offensive in its nature. I have, as far as I could do so, made gardening a pleasure. I do not pretend that the numerous plants and flowers mentioned here are all that could be cultivated; but I will say they comprise the best, the most popular, and the least troublesome of all our floral beauties, and few persons will desire a better collection than may be found among the subjects in the present work. Some of the ordinary operations in...
