Hodder & Stoughton General Division. Paperback. Book Condition: new. BRAND NEW, My Everything, Katie Marsh, 'Devastatingly good - wonderfully warm, heartbreakingly real and completely uplifting' Miranda Dickinson On the day Hannah is finally going to tell her husband she's leaving him, he has a stroke and life changes in an instant. Tom's only 32. Now he can't walk or cut up his own food, let alone use his phone or take her in his arms. And Hannah's trapped. She knows she has to care for her husband, the very same man she was ready to walk away from. But with the time and fresh perspective he's been given, Tom re-evaluates his life, and becomes determined to save his marriage. Can he once again become the man his wife fell in love with, or has he left it too late? My Everything is an unputdownable debut novel. It will make you cry, laugh, and stop to think about what's really important in life.
