Plata Publishing. Paperback. Book Condition: new. BRAND NEW, Rich Dad Poor Dad for Teens: The Secrets About Money--That You Don't Learn in School!, Robert T. Kiyosaki, You're never too young to learn the language of money and the lessons that rich dad taught Robert. Like it or not, money is a part of our everyday lives and the more we understand it, the better the chance that we can learn to have our money work hard for us--instead of working hard for money all our lives. That starts with learning the language of money. This book, created from the international bestseller Rich Dad Poor Dad, shares Robert's inspiring person story but teaches how to make smart choices. Packed with straight talk, sidebars, and quizzes, this book will jumpstart a child's personal and financial success by teaching: How to speak the language of money, ways to make money work for you, tips for success (including: "Work to learn, not to earn."), and why games can help you understand money, investing, and ways to choose your best path to financial freedom.
